## ECONOMIC DEVELOPMENT in Marshall County

Become a part of the momentum happening at Kentucky Lake Economic Development. Our mission is simple but bold: *To aid in creating opportunity for our citizens to earn a living wage and enjoy the dignity of being productive members of our community.*

We have initiated this mission by setting out to retain and expand existing industry investment in Marshall County, Kentucky, and aggressively market our community's assets and amenities to new investment opportunities from around the world.

The time is ***now*** and we want you to become an active part of our mission through your support. Our testimony is strong. Our story is easy to tell. And we are just getting started!
